Hey!

Even with us, it can happen that goods are faulty or an error occurs during delivery. However, with the help of this accompanying letter, you are also in good hands with us in this case. We would like to apologise for the inconvenience and will do everything in our power to process your request as quickly as possible.

Item	Item Number	Quantity	Description repair

Accurate description of the reason for the return: (The error must be comprehensible. "Defective"/"Broken" or similar descriptions are not sufficient and unnecessarily delay processing) - Thank you very much!
